National Resources

- [The Association for Gravestone Studies \(AGS\)](#) - The Association for Gravestone Studies was founded in 1977 for the purpose of furthering the study and preservation of gravestones. AGS is an international organization with an interest in grave markers of all periods and styles. Through its publications, conferences, workshops and exhibits, AGS promotes the study of gravestones from historical and artistic perspectives, expands public awareness of the significance of historic grave markers, and encourages individuals and groups to record and preserve gravestones. At every opportunity, AGS cooperates with groups that have similar interests.
- [The Chicora Foundation](#) - The Chicora Foundation provides preservation and restoration of graveyards and works directly with marked and unmarked graves.
